CBSE Schools Kalotsav Manual

Foreword

In the academic map of Kerala, the schools affiliated to the Central Board of Secondary Education have left a significant imprint during the past two and a half decades. Now there are more than 1400 CBSE affiliated schools in the state and a great number waiting to get affiliated.

The structural and administrative set up of the State Board schools are well defined and their common activities like school Kalotsav, etc. are held every year in a well organized and systematic manner. But in the CBSE system such responsibilities are now being taken up by the different Sahodaya Schools Complexes in the state. There are 18 such Sahodaya Schools Complexes now functioning in the state of Kerala.

The establishment of the Confederation of Kerala Sahodaya Complexes in 2006, has brought all these independent Sahodaya Schools Complexes under one banner. There is a very healthy interaction and exchange of ideas among these Complexes, highlighting the very motto of Sahodaya, ie, 'CARING AND SHARING'.

The Confederation has been organizing and conducting common activities at state level, for the development of these Sahodayas. It has already conducted a number of State Kalotsavs in the past years..

As we are marching ahead, it is very important that a well defined set of guidelines for conducting the Kalotsav be outlined. This KALOTSAV MANUAL is intended to guide the participants and organizers to conduct the Kalotsav in a systematic manner.

The Confederation of Kerala Sahodaya Complexes has been looking into the areas of inadequacies occurred in the past, and striving to rectify the anomalies in the existing system.

This KALOTSAV MANUAL is prepared in line with the Kerala State school Kalotsav Manual and also by consulting a number of experts in this field.

However, we do not claim that this Manual is complete in all respect. We still look forward to receiving valuable suggestions and proposals from all our member schools.

With regards,

Francis K.A.

General Secretary

28.08.2013
